

Hello from your camp director!

Dear Camp Families,

I would like to welcome you to KE Camps at Warinanco Sports Center! My name is Carlos Garcia, and I will be your Camp Director this summer. I am looking forward to providing your child with a safe, fun-filled summer, full of laughter and amazing activities. I hope they leave camp with lasting memories. I currently work as a Department Chair of Health & PE at a New Jersey high school and I have two master's degrees, one in PE and the other in Administration & Supervision. I have over 26 years of experience in the field of education and have been a camp director in the past.

My career and passion include working with young people and providing them opportunities to find themselves and experience individual growth. I have had multiple opportunities to educate young people in a school setting and coach them on sports teams. By bringing my experience to camp, I hope to create a wonderful camp environment for all campers!

I am excited to be part of the KE Camps family because its ideals align with what I believe is extremely important for kids to grow as young people. This is the perfect place for your child to have fun, be silly, and express themselves in a safe and encouraging environment.

See you at camp!
