

Hello from your camp director!

Dear Camp Families,

My name is James Kaounis and I am excited to be returning for my second summer at Camp Warninanco. I love returning to camp because I had such a positive experience last summer - we had so much fun playing sports, doing STEM and craft activities as well as interacting with our community in a positive way.

I love working with kids because because of their overall excitement and enthusiasm. This is the main reason why I work with kids all year round. I have over a decade of coaching experience with soccer, basketball, and baseball teams, which translates really well to working at camp! Working with children as a coach, teacher, and camp director allows me to be involved in my local community and help to positively impact children. I can't wait for this summer!

See you at camp!
James Kaounis
