

HELLO FROM YOUR CAMP DIRECTOR!

Dear Camp Families,

My name is James and I cannot wait for the summer at camp to begin! This will be my third summer at Camp Warinanco and I am thrilled to return! I love working at camp because I have such a positive experience each summer - we have so much fun playing sports, doing STEM and craft activities as well as interacting with our community in a positive way.

I have over a decade of coaching experience with soccer, basketball, and baseball teams, which translates really well to working at camp! Working with children as a coach, teacher, and camp director allows me to be involved in my local community and help to positively impact children. This summer, I am looking forward to welcoming new and returning campers and creating fun memories for everyone!

See you at camp!

James Kaounis
